

Implicit Log-in

1. Click on the following link to log-in:
<https://login.iplicit.com/login/domain>
2. Enter your domain:
hpa
3. Enter your user name:
*hpa******
4. Enter your password:

Please note that ******* means that you must enter the individual username and password provided to you.

If this is the first time you have logged in then you will need to create a new password known only to yourself *after* using the temporary password provided.

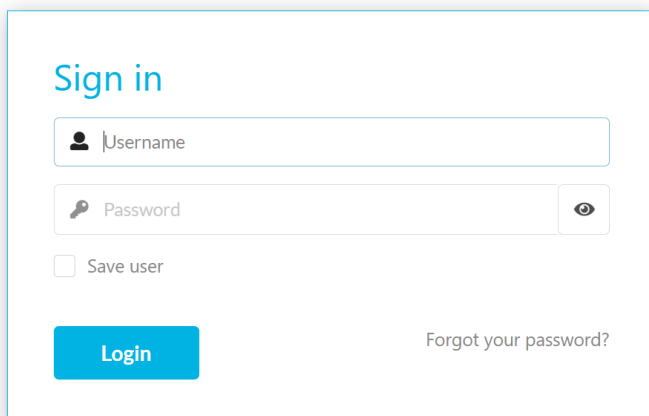

The screenshot shows a 'Sign in' form with a single input field labeled 'Enter your domain' and a blue 'Continue' button below it.

[Need help?](#)

[Use another domain](#)

The screenshot shows a 'Sign in' form with two input fields: 'Username' and 'Password'. The 'Password' field has a toggle icon for visibility. There is a 'Save user' checkbox and a blue 'Login' button. A link for 'Forgot your password?' is located to the right of the 'Login' button.
